Medical Forms **& Custom Print**

Chances are you've heard of Palm 1 Medical because we're a leading supplier of custom medical forms. We take great pride in providing fantastic products at great value. From electronic and printed encounter forms to RX pads to CMS 1500's, and everything in between, Palm 1 Medical provides the printed and electronic forms you need, regardless of your EMR or PMS system. Best of all, you get a knowledgeable representative who will help streamline ordering and manage your inventory. Contact us today... we think you will be impressed!

Code Book **Solutions**

Palm 1 is a leading distributor of code books. We offer code books for multiple specialties, as well as EncoderPro, the electronic-based solution. Our team keeps up with the latest ICD-10 trends and implementation schedule so that we can communicate them to you. Your representative will ensure that you have the right products to keep your practice running smoothly.

About **Palm 1 Medical**

Palm 1 Medical, a wholly owned subsidiary of The Transform Group, is an Atlanta, GA based supplier of business products and technology solutions for the medical community.

While we specialize in providing business supplies, our goal is to be the go-to partner that offers an unparalleled level of service for medical practices. **Palm 1 Medical is more than just another vendor.** We stay current on the latest trends in the medical industry, and we will keep you informed so you can do what you do best—serve your patients!
